# WHAT IS A HACKATHON?

< A HACKATHON IS WHERE YOU CAN

TRANSFORM CRAZY IDEAS INTO REALITY! />

**HACKATHON = HACK + MARATHON**  
<invention/> <24- to 36-hour event/>

We think that hackathons are **all-inclusive**, exciting events where **designers, developers, and entrepreneurs** come together to **create something amazing** in a few days! It should be a **friendly learning environment** for beginners and those who want to try new things, as well as **foster leaders** and ambitious developers to **create technology of the future**.

# WHY ARE HACKATHONS IMPORTANT?

# REAL WORLD EXPERIENCE

Real projects, real tech, real problems.

# WORLDWIDE COLLABORATION

Like-minded, highly motivated individuals from different backgrounds come together to create something new!

# INDUSTRY CONNECTIONS

Interaction with top brands, headhunters, VCs, and mentorship from industry professionals.

# FUN + EDUCATIONAL WEEKEND

Learn to program, eat for free, receive mentorship and tools to build participants' dreams and careers.

**WHO CAN ATTEND?**

# ANYONE .

Hackathons are open to all individuals. We looking for individuals who have are ambitious to learn and build things.

Minors should still receive consent for attendance.

**WHAT IF I  
CAN'T CODE?**

We provide a mentorship program for **team-building**, **ideation**, and **hackathon skills** as well as a leadership program for those who are interested in becoming a **Hycon ambassador**!

Furthermore, we have technical workshops to increase attendees' knowledge about **development and blockchain technology**.

# HOW DO TEAMS WORK?

**TEAM.SIZE <= 5 ? true : false**

We recommend teams of five (5) members.

Hackathons have team-matching sessions before the start of the event for people to network and make new friends!

**WHAT TO  
BRING?**

**Some form of ID**

**Laptop + Chargers**

**Headphones<sub>{optional}</sub>**

**Sleeping stuff<sub>{optional}</sub>**

**Extra Clothes<sub>{optional}</sub>**

If you have any medical conditions that requires regular medication or specialized equipment, please bring it with you for your wellness and safety.

**HOW MUCH IS IT TO  
ATTEND THE EVENT?**

# null

Hackathons are free to attend. We will provide meals, snacks, water, caffeine, workspace, swag, and WiFi for the event!

**WHAT CAN MY TEAM  
BUILD?**

# Number . POSITIVE\_INFINITY

Any hardware, software, or tech-related thing you and your team can come up with is fair game. Surprise us! Show off your talent.

# WHY ARE HACKATHONS IMPORTANT?

We find that **discovery and innovation** today suffer from a **lack of incentives** for open and timely sharing of ideas.

We want to improve the blockchain development space (in **education & innovation**) and collectively tackle this **industry's challenge**.
